11 of 12 review helpful A Genius Distilled into Fearless Images Words By LorrieGay Marlow Gordon Parks is a national treasure That surely isn t news But of all his many volumes not to mention films symphonies photos

journalism and on and on this slender and profound volume stands alone in its fearlessness poetic and heartbreaking beauty and its unflinching spareness If not for the wisdom and gravity of his word In Eyes with Winged Thoughts the forty four photographs and fifty eight poems reflecting on his long and extraordinary life offer a rare glimpse of his thoughts and feelings about everything from romantic love to the Iraq war and the passing of Pope John Paul II He has done it all Gordon Parks s life is an astonishing litany of firsts in the 1940s he was the first African American photographer to work for the Farm Security Administration and for Vogu From Publishers Weekly With more than 60 years behind the lens including a stint as a New Deal documentarian and more than two decades at Life magazine Parks is by acclamation the nation s most important African American photographer Film fans know him
