3 of 3 review helpful It s Worth the Money By cw This is partly a general photography instruction manual mostly SLR

level and partly a travel guide If bringing home interesting good photos is important to you this will help a lot The book definitely got me to some very photogenic sites I would not have known about Some hobbyist photographers who lived in that area were not aware of some of them In Charleston it Invaluable advice by regional experts and master photographers on where to find the most stunning sites at their peak and how to shoot them Gracious historic Charleston South Carolina has long been a favorite travel destination Lovely romantic Savannah Georgia is a gem of the Old South The many barrier islands running along the coast between them offer miles of beaches great wildlife viewing dramatic seascapes and lush wetlands The entire area pr About the Author Jeff Dodge has been a professional photographer for over 25 years in Europe and the U S working for corporate and editorial clients worldwide He has been making photographs in Charleston Savannah and the islands for the past 15 years
