By Parvati Nair : A Different Light: The Photography of Sebastião Salgado A Different Light: The Photography of Sebastião Salgado:

3 of 3 review helpful GREAT PHOTOGRAPHER AMATEUR AT BEST AUTHOR By another painter The seller sold me a NOT FOR SALE edition used only for reviewing of copy There are only 4 or five terrible pictures with no

range from dark to light Knowing something of this photographers work that is just wrong As for the writing it is college level at best and not inspired save by a selfish need to push her own agenda A Different Light is the first in depth study of the work of Sebastião Salgado widely considered the greatest documentary photographer of our time For more than three decades Salgado has produced thematic photo essays depicting the massive human displacement brought about by industrialization and conflict These projects usually take years to complete and include pictures from dozens of countries Parvati Nair offers detailed analyses of Salgado's work Through exhaustive research on Salgado's work Nair raises critical questions on ethics politics history photography and aesthetics Particularly poignant are the intimate conversations among Nair Salgado and his wife Leila
