Our services include a 35 design for the design-build renovation of the historic Scott Barracks originally built in 1936 and full design services for extensive Bali Houses: New Wave Asian Architecture and Design:

0 of 0 review helpful. Look at the pretty pictures. By TV Eye. More a style book than anything edifying. There are no floor plans and therefore no context and no way of understanding the relationship between inside and outside, which is the key to this kind of architecture. A lot of lifestyle photos à la Martha Stewart, close-ups with an emphasis on native handicrafts. Nigh impossible to figure out the relationship of the This Balinese design book containing over 300

beautiful photos and extensive commentary will add a distinctive tropical flair to your interior decorating and architecture The phenomenon loosely termed Bali style has been the subject matter for countless books on art architecture and interior design In this book author and architect Gianni Francione showcases the new generation of Bali style homes interiors and artifacts that utilize what he t About the Author Gianni Francione is an architect from Turin North Italy who has been based in Southeast Asia mainly in Bali for over 20 years Best known for his modernistic projects he is a pioneer of a style of design that combines traditio
