37 of 37 review helpful Excellent Sourcebook for Japanese Interior Design By Walter O Koenig Regardless if you want to have a Japanese Tea Room a Japanese touch or just like looking at great photographs of Interior Design you should buy this book I normally don t like books which take elements from one Style in this case Japanese and then adapt it for Western use but here it works very well thanks to superb an Gain insight into both modern and Japanese styles with this stunning Japanese interior design book The Japanese traditional house defines Japanese style The

Japanese however being a practical and resourceful people do not so limit themselves They know that there are times when the spirit breaks the bounds of quiet simplicity In more than 300 beautiful photographs of the homes of both Westerners and Japanese this book presents the art com Longtime Japan resident Amy Sylvester Katoh and photographer Shin Kimura have created a fascinating and educational masterpiece in Japan The Art of Living More than 300 pictures of rooms furniture table arrangements stylish windows and more e
