By Wilmerding World Wide : Wilmerding and the Westinghouse Air Brake Company (Images of America)
Wilmerding and the Westinghouse Air Brake Company (Images of America):

0 of 0 review helpful A short history of a town that grew out of a vision By Emily Ann Frances May The story of the development of the town and the rise of the company is told through the photos from the Westinghouse Air Brake Company archives The photos are vivid and clear The information about each one communicates very well the history throughout the years this book covers 1 of 1 review helpful When George Westinghouse Jr founded the Westinghouse Air Brake Company his air brakes railroad equipment and industrial pneumatic devices revolutionized rail travel

opening a new chapter in American industrial history Not only were the products of his first company revolutionary but the small borough he founded in 1890 in southwestern Pennsylvania became a model for residential and industrial development Wilmerding precisely planned and built according to Westin About the Author Wilmerding World Wide seeks to promote the history of George Westinghouse his many companies inventions achievements and the town of Wilmerding
