By Alan A. Siegal : Somerset County in Vintage Postcards (Postcard History Series) auction sales news fine art regular and specialist sales valuation services and antique auctions east acton east acton was a popular location for postcard photographers and there were many versions printed of the forge and the view of the goldsmiths arms Somerset County in Vintage Postcards (Postcard History Series):

From the 1890s through the 1920s the postcard was an extraordinarily popular means of communication and many of the postcards produced during this golden age can today be considered works of art Postcard photographers traveled the length and breadth of the nation snapping photographs of busy street scenes documenting local landmarks and assembling crowds of local children only too happy to pose for a picture These images printed as postcards and

sold in gen About the Author Collected and interpreted by Alan A Siegel the images in this informative volume provide readers with a delightful trip down memory lane bringing an important period of the area s history to life for visitors and members of the younger genera
