1 of 1 review helpful I love this book By B Jones One of my favorite places on earth is the Los Angeles Memorial Coliseum and this book nearly does it justice The first time I walked through the tunnel and out into the sunlight and saw the beautiful green playing field I knew I was home There are lots of great memories in the Coliseum and much rich tradition and history in the book It is a must Opened to the public in June of 1923 the Los Angeles Memorial

Coliseum can arguably be called America's Most Historic Sports Stadium In 1984 the Memorial Coliseum was declared a State and Federal Historic Landmark for its contributions to both the State of California and the United States The history of this institution is captured here in over 200 vintage images The Memorial Coliseum's history spans eight decades playing host to two Olympiads two Super Bowls About the Author Chris Epting is an advertising executive with a keen interest in sports of all kinds He is the best selling author of another pictorial history with Arcadia Publishing Huntington Beach California
