By Susan Taylor Block : Wilmington wilmington is a port city and the county seat of new hanover county in coastal southeastern north carolina united states the population is 112067; according to according to our research of north carolina and other state lists there were 215 registered sex offenders living in wilmington north carolina as of august 24 2017 Wilmington:

2 of 2 review helpful Historic pictoriol of Wilmington NC By Beemrider This book is not a thick book but not a quick read either There are many photos but few words that speak volumes of the Wilmington we know and the Wilmington from whence it came Nicely written sentences about the photos describing contrasts between then and now Only thing that would make it better is more pages Very interesting to anyone who knows Since 1739 Wilmington has seen

centuries of change along the banks of the Cape Fear River to the beaches of the Atlantic Through the years much has been lost to war neglect and progress but in many places the past is well preserved and still visible today The city s enduring spirit is evident in these images of past and present
