By Walt Vielbaum, Philip Hoffman, Grant Ute, Robert Townley : San Francisco's Market Street Railway (Images of Rail) san franciscos municipal railway has assembled one of the most diverse collections of vintage streetcars trolleys and trams in transit service anywhere twitter update ib subwaysvc continue to see heavy congestion btwn church and embarcadero expect residual delays in both directions 4 hours twitter attn due to San Francisco's Market Street Railway (Images of Rail):

0 of 0 review helpful A fine work By Enrico Mittiga I was looking for a book containing a comprehensive history of San Francisco streetcars and interurbans This book is focused on MSR only but the quality of pictures is astonishing I m writing from Rome Italy and I can assure that similar very high quality images of our tramcars in say Therties or

even later are barely available and furthermore they belong to private The Market Street Railway Company thrived in an age when rails ruled San Francisco Spanning the Roaring Twenties the Great Depression and the boom times of World War II it had a long and legendary lifetime that is deeply ingrained in the city's early identity Gradually however it became challenged by the emergence of the automobile cheaper motor coaches and nickel jitneys competing cars on the same routes The MSRY painted the fronts of its cars white to show About the Author Authors and Market Street Railway members Walt Vielbaum Philip Hoffman Grant Ute and Robert Townley have compiled this amazing collection of vintage images to tell the story of a busy urban rail line in its prime
