0 of 0 review helpful Four Stars By JWB A nice collection of local photos 0 of 0 review helpful Great history of my hometown By Carrie This is a great condensed history of my hometown I love Paso Robles and would move back in a heartbeat if I was able This book chronicles the inception of the small town and how it grew There are photographs and personal accounts Halfway between Los Angeles and San Francisco the historic town of Paso Robles became

known for its abundance of hot mineral springs that brought relief from pain first for the Salinan Indians then for the Franciscan friars As word of the springs healing powers spread hotels and bathhouses were built to accommodate the tourists who came seeking cures The little community developed steadily after 1886 when the railroad arrived and town lots were auctioned Area About the Author Coauthors Andrea H Hobbs and Milene F Radford both native Californians are retired teachers Hobbs taught graphic design at Santa Monica College and volunteered at the California Heritage Museum in Santa Monica for eight years Radford taugh
