0 of 0 review helpful Before the World Was Flat By Kenneth W Zeigler David Coopman s book Rock Island County is an important book Somebody had to write the history of Rock Island County Illinois and David Coopman was just the person to do it He is a lifelong resident of the place and the person whose memory is better than anyone I know But the work goes well beyond even a prodigious memory Consisting of remarkable The history of Rock Island County once known as the farm implement capital of the world starts well before that industry sprung up on the

Mississippi River at a point where the river runs east to west Fur trading farming mining milling and lumber all played a key role in the county s formation As the railroad moved west the first rail bridge over the Mississippi at Rock Island created a transportation hub and furthered the area s process of industrialization About the Author David T Coopman is a former teacher and lifelong resident of Moline He served two terms as president of the Rock Island County Historical Society and chaired the successful fund raising campaign for its library facility He has authored two bo
