0 of 0 review helpful A piece of Great Lakes history By A D Slade I loved this book and only wish it had been longer Not to give my age away but I can remember my grandfather calling to me to come out on the dock to see the last of the whalebacks steaming down Lake Macatawa to Lake Michigan I ve never forgotten it 0 of 0 review helpful Whaleback Watch By ScubaCat During the last years of the 19th century the Duluth Harbor situated between the sister cities of Duluth Minnesota and Superior was the birthplace of a bold and innovative and decidedly odd looking class

of Great Lakes barges and steamships known as whalebacks Capt Alexander McDougall and his American Steel Barge Company built the curved decked snout nosed whalebacks on the shores of the harbor first at Duluth s Rice s Point and later in Howard s Pocket at Super About the Author Neel R Zoss has researched McDougall rsquo s whaleback barges and steamers for many years and has written a number of magazine articles about the boats The photographs for this book were gathered from libraries museums and historical societi
