By Kenneth C. Springirth : Southeastern Pennsylvania Trolleys the southeastern pennsylvania transportation authority septa is a regional public transportation authority that operates various forms of public transit services southeastern pennsylvania transportation authority septa philadelphia pennsylvania 18k likes welcome to the official facebook page of the Southeastern Pennsylvania Trolleys:

0 of 0 review helpful I like the pictures and text By Gomer Jones I bought this book as a companion to Pittsburgh Streamlined Trolleys which I purchased a few years ago I like the pictures and text but would have like to seen an extra view or two of the Philadelphia Suburban Transportation s 1949 St Louis PCC cars I did see cars 14 24 at the Pennsylvania Trolley Museum many years ago and thought they were interest An extensive number of trolley car lines

linked the city of Philadelphia to the rich farmland and picturesque towns of southeastern Pennsylvania. These trolley lines traversed miles of narrow streets lined with row houses whose residents were proud working class Americans. These historic photographs trace the trolley cars routes including Route 23 the region's longest urban trolley route from the expanses of Northwest Philadelphia's Chestnut Hill through the crowded Center City. About the Author Kenneth C Springirth has a vested interest in rail history as his father was a trolley car motorman in Philadelphia and his grandfather was a motorman in Washington D C. A native of Philadelphia he commuted by trolley to attend classes at D
