0 of 0 review helpful Great photo history book By Dingo Wonderful photographic history of a fascinating piece of Nevada Excellent for anyone interested in the southeastern part of Nevada or the LDS pioneers that first arrived in the Virgin River Valley The lower Virgin River basin is located about 10 miles south of the border junction between what is now Nevada Arizona and Utah Early explorers told of blistering heat disease carrying insects and scarce evil tasting

water But in 1877 the valley offered a haven to a small group of Mormon families who sought to live and practice their religious convictions settling in Bunkerville on the south side of the Virgin River On the north side the struggle to establish About the Author Author Geraldine White Zarate is a fourth generation resident of Mesquite She chairs the Virgin Valley Historical Committee which took on the project of this book with great enthusiasm and support The images here have been gathered from the d
