0 of 0 review helpful Excellent By Cicero I was raised in Silver City and learned a considerable amount through fascinating pictures and well researched facts that solved many different questions I often had over the years The editing and research is first rate and the many historical pictures are worth every cent of admission Highly recommend few books if any concerning the Southwest Land Of Enchantment exceed this w Spanish and American prospectors

discovered gold silver and copper mines in southwestern New Mexico in the 1800s This volume explores the further development of these mining operations into the early 1900s During this time period improvements in technology made mining profitable and eastern corporations invested in New Mexico mines World War I created a demand for copper and this era saw the development of paternalistic company towns Miners faced difficult and d About the Author Dr Jane Bardal is a professor of psychology at Central New Mexico Community College and a history buff She has compiled more than 200 images from private postcard collections to tell the story of mining in southwestern New Mexico
