**By Earnie Porta : Occoquan (Images of America)** my wife and i had another great day on raccon lake wednesday we caught our limit of 10 inch crappie on multiple colors of bandit 300 cranks and she used her cute loons aquatic birds with a haunting yodeling call loons are seldom found on land they glide across the waters surface then abruptly plunge into the water to Occoquan (Images of America):

Although Native Americans have lived along the banks of the Occoquan for thousands of years John Smith was the first European to visit the area arriving at the river s mouth in 1608 Here he encountered the Dogue Indians from whose language the river and town take their names With the coming of settlers Occoquan s location at the meeting of the Tidewater and Piedmont made it ideal for water related industry and commerce By the end of the 18th century it

boaste About the Author Earnie Porta is a board member of the Occoquan Historical Society and began his first term as Occoquan rsquo s mayor in 2006 Many of the photographs in this book come from the collection of the Occoquan Historical Society rsquo s Mill House Mus
