0 of 0 review helpful Great Overview of the history of Connemara By Pete I was very surprised to find this book available in Kindle The Kindle edition makes this history book available in a modern format which makes it more accessible to readers such as myself who are shying away from the paperback format The book content covers the history of the home and property through several prominent families prior to Carl Sandburg The story of North

Carolina s Carl Sandburg Home Connemara began in the early 19th century when Christopher Gustavus Memminger noted lawyer and first secretary of the Confederate treasury built Rock Hill as his summer home After Memminger s death the property was owned by William Gregg Jr son of textile giant William Gregg and later by Ellison Adger Smyth dean of the Southern textile industry who renamed it Connemara Pulitzer Prize winning author Carl San About the Author This is the third Images of America title for author Galen Reuther In this volume she tells the story of the Carl Sandburg Home with images dating from the 1800s In addition to photographs and information obtained from individuals the author
