**By Barry Moreno : Ellis Island's Famous Immigrants** take the interactive virtual tour of the south side of the island and see high resolution spherical images and historical data explore now take a hard hat tour of the origin of the island from 1892 to 1954 over twelve million immigrants entered the united states through the portal of ellis island a small island in new york Ellis Island's Famous Immigrants:

0 of 0 review helpful one of the best image s of america I have got so far to my collection By Michael Larthey Amazing book and what a price loved it seeing all the famous people who gave through Ellis island besides my own family Since 1776 millions of immigrants have landed at America s shores To this day their practical contributions are still felt in every field of endeavor including agriculture industry and the service trades But within the great immigrant

waves there also came plucky and talented individualists artists and dreamers Many of these exceptional folk went on to win worldly renown and their names live on in history Ellis Island s Famous Immigrants tells the story of so About the Author By means of archival records and biographies author Barry Moreno has been researching the lives of Ellis Island rsquo s legendary immigrants for several years He is also the author of a number of publications including Ellis Island The Statu
