1 of 1 review helpful A Nostalgic Trip Home By Suzanne K Bendall Well done Excellent coverage What a host of memories this book evoked I grew up in Vincennes during these years When I told my son about the book he immediately ordered one for him and one for his sister I have gone through the book and written notes for them regarding each photo that had special meaning for me I was disappointed that As the first and oldest town in Indiana

Vincennes is rich in history It had an important role in the American Revolution and later was the capital of the Indiana Territory This book focuses on a more recent time the years between 1930 and 1960 the period of the Great Depression the New Deal World War II and the post war years Fascinating views of stores clubs theaters churches factories groceries and gas stations many of which are gone or greatly changed About the Author All three of the authors are life long residents of Vincennes Richard Day is cultural administrator of Vincennes State Historic Sites Garry Hall is sales manager for Vincennes Ford and an avid collector of vintage photographs William Hopper i
