By Debra J. Mortensen : Elk River (Images of America) childhood black elk was born into an oglala lakota family in december 1863 along the little powder river at a site thought to be in the present day state of wyoming west virginia road map for stocked trout streams lists all stocked trout streams and lakes in wv directions are given and streams are color coded Elk River (Images of America):

0 of 0 review helpful This is definitely a good book for casual browsing and learning some of the By cqreview This book contains a lot of interesting snippets about the history of Elk River including important components of its development such as the early mills and the damming of Lake Orono There isn t an overarching narrative of the town s development but one can piece together the interesting history of Elk River Fur trade posts were established along the

Upper Mississippi River between St Anthony and St Cloud during the first part of the 19th century One of these trading posts was established by Pierre Bottineau on the bluffs just north of the mouth of the Elk River between Orono upper town and Elk River lower town in 1850 As the fur trade slowed the logging industry took over and numerous sawmills sprung up along the rivers Ard Godfrey well known in the milling indus About the Author Debra J Mortensen is a commissioner on the Elk River Heritage Preservation Commission and a member of both the Sherburne County History Center and the Minnesota Historical Society She has participated in living history reenactments throughout
