By David S. Shields : Still: American Silent Motion Picture Photography nutcracker the motion picture also known as pacific northwest ballets nutcracker or simply nutcracker is a 1986 american christmas performing arts film produced crime and gangster films are developed around the sinister actions of criminals or gangsters particularly bankrobbers underworld figures or Still: American Silent Motion Picture Photography:

10 of 10 review helpful Not what I expected By M Macy I thought there would be so many great pictures but there are not Instead this is a very academic wordy description of some of the photographers who produced photos on the sets of

silent films but without nearly enough pictures This is definitely not what I was looking for Also I don t feel the indexing system is well organized All in all a disappointment 0 The success of movies like The Artist and Hugo recreated the wonder and magic of silent film for modern audiences many of whom might never have experienced a movie without sound But while the American silent movie was one of the most significant popular art forms of the modern age it is also one that is largely lost to us as more than eighty percent of silent films have disappeared the victims of age disaster and neglect We now know about many Idquo Still is not just a labor of love or the fruit of a personal passion It rsquo s not just an astonishing album of lquo beauty rsquo and beauty In the process it amounts to one of the most radical reappreciations of the origins of film we
