0 of 0 review helpful It is a good book anyway By Jutanj A good book with useful information about its sketches shown inside Actually it is a good book for those who like to study more about art 60 sketches in a book is not a big amount of picture in a picture book but it is still very useful for those who like drawing and want to study something from other sketches I recommended this book for Leonardo da Although Leonardo da Vinci was one of the greatest

artists who ever lived his career was marked by an unusually large number of uncompleted projects and by finished works that rapidly deteriorated Nevertheless his influence is undoubted and his claim to greatness rests chiefly on his drawings which have been carefully preserved in such locations as Windsor Castle the Louvre the Uffizi Gallery and the British Museum This collection excellently reprod From the Back Cover Although Leonardo da Vinci was one of the greatest artists who ever lived his career was marked by an unusually large number of uncompleted projects and by finished works that rapidly deteriorated Nevertheless his influence is undoub
