1 of 1 review helpful I Wish This Guy Would Make More Books Simply The Best By Schnizle I have been using Photoshop for years and I know it pretty well but I would not say I am a master This book taught me some new things about Photoshop and a lot about art techniques in general The tutorials are pretty detailed with step by step instructions Many other books don t walk you through the whole process T If you are a digital artist illustrator cartoonist graphic

artist designer or serious hobbyist looking for new and interesting ways to use Photoshop this is the book for you You already know how to use Photoshop as an image editing tool now challenge yourself and discover the more artistic aspects of the program with one of the world s best teachers by your side In addition to four brand new chapters on real world projects this new com quotes for previous edition A tutorial book that is CREATIVE AND FUN I really can t recommend this book enough The tutorials are easy to understand even when dealing with advanced techniques It could be a bit much if you are brand new to Photoshop
