By Mary Fisk-Taylor, Jamie Hayes : Beautiful Beach Portraits: Lighting, Posing, and Composition for Outstanding Photography the rule of thirds gets trotted out more often than any other in all types of photography and is one of the first rules of composition taught to most photography when it comes to studying nude photography there definitely seems to be a preference for shooting in black and white over colour it is perhaps because the former Beautiful Beach Portraits: Lighting, Posing, and Composition for Outstanding Photography:

1 of 1 review helpful Not particularly educational By S J Bennett There aren't many eye openers here I know these two are at the top of their game so I was expecting more both in the quality of the portraits and in the text from an educational or instructional standpoint Don't get me wrong the images are good but no real wow moments Most examples are at the golden hours making it much easier to produce a fairly c Portraits of families and children against the dunes or with a crashing waves in the background are beautiful mdash but they are also one of the more difficult genres of photography Wind shifting sand unpredictable sun mixing with clouds and sudden storms all add to the normal challenges of a portrait session when you transport it to a beach setting In this book Mary Fisk Taylor and Jamie Hayes explain how they create beautiful images amidst these challenges About the Author Jamie Hayes and Mary Fisk Taylor are portrait photographers and educators in the world of professional photography They own and operate two very successful studios in Richmond Virginia and have spent the past twenty years cu
