By Robert Hirsch : Transformational Imagemaking: Handmade Photography Since 1960 Transformational Imagemaking: Handmade Photography Since 1960:

1 of 1 review helpful Fantastic title Author s passion for the subject makes the By Anya Fantastic title Author s passion for the subject makes the writing shine Immense help for a young artist in need of finding their own voice 3 of 3 review helpful A good place to start discovering interesting artists By Popescu Mario Cezar Do you know when you look at a piece This groundbreaking survey of significant work and ideas focuses on nbsp imagemakers who have pushed beyond the boundaries of photography as a window on our material world Through interviews with more than

40 key artists this book explores a diverse group of curious experimentalists who have propelled the medium's evolution by visualizing their subject matter as it originates from their mind's eye. Many favor the historical techniques commonly known. In a substantial preface, an introductory scholarly essay, and over fifty artists' interviews, this beautifully illustrated volume uncovers traditions of what are commonly called alternative photographic practices — the so-called transformational.
