2 of 2 review helpful Great book great pictures By Karen We bought this book for my mother in law My husband and I are going to visit Ireland next year and my 94 year old mother in law is an armchair traveler While not a travel guide or trip planning book we wanted to have her look at places in Ireland that she would visit if she was going with us and to give us suggestions about interesting places she felt we should Island light is magical And none more so than Ireland s Ireland s light floods the landscape luring the senses with a restless presence The water surrounding and carving through the island reflects back to us the ever changing movement of the wind blown clouds and light Stop for a minute and the settings change what was straight is bent light is dark still is in motion It is as though an unseen hand

directs the wind the clouds and the light to harness our a ldquo Leslie Conron Carola and Peter Harbison who brought us Spectacular Ireland have raised the bar with their elegant new book Ireland A Luminous Beauty with photographs by Chris Hill Carsten Krieger and George Munday three of Ireland s
