0 of 0 review helpful Got to stay loyal By Francois Elmaleh Good book if you are interested in some of the characters from the old South End neighborhood in Boston The city is no where nearly as charming as those days Boston use to be a great city it s just become a city for the rich that has cleansed it from all it s seedy character This is a good book if

you are from the South End or are interested My father is in From the South End rsquo s early years as an upper and middle class residential district to its time as an immigrant and rooming house neighborhood and then to its recent urban renewal residents have shaped its legacy and its place within the city of Boston Locals have worked in common to make the South End a safe and vibrant community for over two centuries Notables such as architect Gridley J F Bryant preservation advocate Arthur Howe and pedestrian advocate Ann About the Author Author Hope J Shannon a historian and a former executive director of the South End Historical Society SEHS tells a history of the South End through the stories and pictures of its residents She presents images from the SEHS and other archi
