By Ian Taylor : Rails Around Fort Worth (Images of Rail) home to tv stations ktvt cbs channel 11 and ktxa independent channel 21 as well as krlf am 1080 quot;newsradioquot; and krlf fm 1053 quot;the fanquot; sports talk radio fort worth texas as seen from a very narrow bicycle seat Rails Around Fort Worth (Images of Rail):

1 of 1 review helpful Misleading title with disappointing content By Dennis H I had high hopes for this book when I first heard it was ready to be published Now I m left disappointed It truly does not cover Fort Worth railroads in a comprehensive way No photos of the Ft Worth Belt interlocking towers such as Tower 55 roundhouses Hodge Union

Pacific BNSF the I GN the Bomber Spur Fort Worth Western the Fris Railways played a central role in the development of the American West The railroad came to Fort Worth in 1876 and with it came the boom that transformed a city into a metropolis From the arrival of the Texas Pacific Railroad to the streamliners of the postwar era Fort Worth has always seen the railroad as a vital part of its character From transcontinental locomotives to the construction of elegant architectural landmarks and to small but convenient interurban pa About the Author Ian Taylor a young local historian of the railroads utilized several local archival collections to bring together the imagery of this story He has studied the local history of the Dallas ndash Fort Worth area for many years and has been very
