**By Richard Melzer : SANATORIUMS of New Mexico (Images of America)** in 1887 by faking insanity undercover journalist nellie bly had herself admitted to one of new yorks most infamous sanatoriums and she wrote a graphic account seouls haebangchon neighborhood was founded by isolated north koreans but is now an epicenter for diversity read more SANATORIUMS of New Mexico (Images of America):

0 of 0 review helpful Unique period of New Mexico history By Michael Manley Since I live in New Mexico this was a good read for me I have had the opportunity to visit some of these locations and have known some of the patients who

lived and we re treated here This was a unique and important period in the history of our state Recommended reading 0 of 1 review helpful Five Stars Tuberculosis also known as consumption the White Plague or simply TB was the number one killer in the United States in the late 19th and early 20th centuries Many physicians of the era advised their patients to chase the cure for tuberculosis in the Southwest where the region s clean dry fresh air high altitude and sunshine offered relief for most and recovery for some New Mexico called the well country was particularly eager to promote itself as a mecca f About the Author Richard Melzer is a professor of history at the University of New Mexico rsquo s Valencia campus He is the author of many books about the Southwest including his award winning Fred Harvey Houses of the Southwest published by Arcadia Publishin
