By Chicago Tribune Staff : Chicago Portraits chicago business headshot photographer jovanka novakovic of bauwerks photography studio has created professional business portraits and headshots for fortune 500 northwest indiana and chicago land wedding and portrait photographers specializing in wedding photos that include all printing rights Chicago Portraits:

0 of 0 review helpful Well done By Janet It s always refreshing to read and enjoy a book of portraits taken by newspaper photographers where the same dignity is shown to the president of the nation as is shown to an oil field worker and an elderly farmer The photographers made the most with the time and circumstances they were allowed with their subjects The book includes a short explanation of each person phot The Chicago Tribune possesses a vast photo archive spanning its more than 150 years in publication From the Civil War era through today its photographers have captured thousands of people from everyday Chicagoans to visitors to the Second City to well known artists athletes and politicians For the first time the best of these great photographic portraits are being collected in a large
