2 of 2 review helpful A very poor revisit By Arthur Lieber There was not one word in this book about the robust Jewish community in Mount Vernon in the 20 s thru the 60 s How about a mention of nationally known Rabbis Max Macaby Kagan or Margolis Not a word of the academic excellence on the whole of Jewish students therefore the great

schools How about a mention of the Jewish Center open to the whole city As I read An important gateway suburban community Mount Vernon was formed around the construction of two commuter rail lines to and from New York City In the first quarter of the 20th century its contiguous borders with Greater New York rapid population growth automobiles petroleum and industrial development set the stage for the encroachment of urban realities on the upwardly mobile founders rsquo hopes for a sustained and prosperous suburban lifestyle Through images tha About the Author Larry H Spruill PhD has spent a half century living and working in Mount Vernon and has served as city historian for the past 25 years He is an author award winning photographer and history professor at Morehouse College Donna M Jackson
