1 of 1 review helpful So many inconsistencies make this a difficult book to read with a child By Diana H Maine I received ON THE CONSTRUCTION SITE published by Speedy Publishing in exchange for an honest review This is an E Book published in 2014 My thoughts I don't enjoy the E Book format when working with reading with younger children The E Reader itself is a distraction and I don't feel a child would enjoy an On the Construction Site Picture Book because many children find construction machinery interesting Some children have seen construction trucks and construction workers in person by merely passing by a construction site An On The Construction Site Picture Book would allow a child to relate what they see in the photos with what they may have seen before or will see in the future Learning information about the construction vehicles and workers will About the Author

At Speedy Publishing we envision our company and publishing arm as being a premier publisher of quick reference materials useful reference books fiction books in all sub genres and creative non fiction to both entertain and assist readers wor
