0 of 0 review helpful great pictures okay reading By amber the cat lady 1986 I am a homeschool mom of 3 kids two 6th graders and one first grader I am always on the lookout for reading material to include with our lessons So I have read this book and here is what I think about it the information given is good but not enough The book seemed to end abruptly which felt very awkward and left the reader wondering what hap River monsters are part of modern folklore Those who believe that myths are something that exist only in the far distant path are incorrect Anyone who knows a little bit about modern river monsters knows they are the root of 20th and even 21st century cryptozoology myths For children reading about these amazing creatures both ones we know exist and those that are pure fantasy opens many

doors of imagination The sense of wonder gained helps the young ones to think About the Author At Speedy Publishing we envision our company and publishing arm as being a premier publisher of quick reference materials useful reference books fiction books in all sub genres and creative non fiction to both entertain and assist readers wor
