whole slurp up ants with their sticky noodly bendy straw tongues so confidently you forget how The Echo of Things: The Lives of Photographs in the Solomon Islands (Objects/Histories):

The Echo of Things is a compelling ethnographic study of what photography means to the people of Roviana Lagoon in the western Solomon Islands Christopher Wright examines the contemporary uses of photography and expectations of the medium in Roviana as well as people s reactions to photographs made by colonial powers in the late nineteenth and early twentieth centuries For Roviana people photographs are unique objects they are not reproducible as they a The Echo of Things is a very fine book based on Christopher Wright s deep understanding of photographic technologies and artifacts and the lives of those artifacts in a specific milieu Evoking the diverse uses and valuations of images among Solom
