**By Jack Whitehouse : Sayville Orphan Heroes: The Cottages of St. Ann's** Sayville Orphan Heroes: The Cottages of St. Ann's:

2 of 2 review helpful Wonderful Book By Homeschoolmom I purchased this book for my mom who was in the last group of children to live here before the home closed Our family moved to Sayville in the 1970 s from New York City

largely because of her great memories of the school She absolutely loved the book has reread it a number of times and says it s the best gift she ever received Mr Whitehouse thank you for writin The prospects were bleak for the four Whitehouse children in 1929 when they were orphaned at the start of the Great Depression They faced life in dangerously overcrowded orphanages in New York City or the uncertainty of a trip on the orphan trains They were fortunate enough to land at the Children s Cottages Orphanage in Sayville New York and St Ann s Episcopal Church Author Jack Whitehouse spins a personal tale of the compassion exhibited by the entire Sayville com About the Author Jack Whitehouse grew up in Sayville graduating from Sayville High School in 1964 Following college and more than seven years of active duty with the United States Navy he joined the U S Foreign Service serving abroad for most of his career
