America):

3 of 5 review helpful This book is full of nonsense and errors By jen This book is utter nonsense The author would probably scream like a woman and wet his pants if he ever saw a real ghost He is NO ghost hunter There are numerous errors in the book I will list just a few from the chapter about the haunted mansion 1 Mrs Pappas as he calls her she had been remarried and her name was no longer Pappas when he Stroll into Mantorville and you get the sense that it is a place where you could comfortably live forever Ghosts seem to feel the same way and this excursion into the stories of their activity keeps pace with the feverish bustle buried in the town rsquo s heritage From ruined breweries to opera house mummies Christopher Larsen takes the measure of one of Minnesota rsquo s most historic and haunted places The tale of his investigations might not rob Mantorville of i Haunted Mantorville Trailing the Ghosts of Old Minnesota has tales of Larsen teaming up with the Twin Cities Paranormal Society or hunting on his own in and around Mantorville His investigations include stops at an old log cabin a church a mansion
