0 of 0 review helpful All the photographs are in black and white By C Sant All the photos are in black and white It may seem obvious but for whatever reason I wasn t expecting an entirely black and white book 0 of 0 review helpful

Good read a lot of photos By Clifton M Seward This is a good quick read with great photos I have several of the Images of America Phantom Ranch is nestled in the Grand Canyon basin on the Colorado River a location hardly visible from the rim and only accessible after a journey through scores of geologic layers The only way there is by river rafting hiking or mule and with each foot of the journey the traveler descends 30 000 years in geologic time While at Phantom Ranch the view looking above is of 1 7 billion years of geology all swirling together in an alphabet of colors Grand Canyon Of all the Arcadia Publishing Images of America books it s doubtful that many are as intriguing as Grand Canyon s Phantom Ranch nbsp It includes rare and intriguing photographs through the years nbsp The book offers a chance for people to travel vicar
