By David Wills : The Cinematic Legacy of Frank Sinatra in the wee small hours is the ninth studio album by american vocalist frank sinatra it was released in april 1955 on capitol records produced by voyle gilmore with biography photo gallery and filmography The Cinematic Legacy of Frank Sinatra:

7 of 7 review helpful Excellent full size photographs within By CJS The best of the three over sized coffee table books that were released for Sinatra s 100th birthday This book had numerous full page photos and showed Sinatra throughout his film career either in scenes from the film or behind the scenes photos at the film sets The book included essays from Sinatra s three children and quotes in large type regarding In a film career spanning more than five decades Frank Sinatra proved to be a roulette wheel of constantly spinning talent the likes of which Hollywood has rarely seen Film history is filled with stars created by the studio system Occasionally however a performer emerged

who against all preconceived odds of what a star should be or look like knocked down the walls of convention by becoming nothing other than what they already were Frank Sinatra was the embodi About the Author David Wills is an Australian native now resident in California behind previous photo collections such as Marilyn Monroe Metamorphosis and Audrey The 60 s His interest in contemporary cultures and pop iconography has seen him contribute t
