By Marc Pitanza : Staten Island Rapid Transit (Images of Rail) staten island s t t n a l n d is one of the five boroughs of new york city in the us state of new york in the southwest of the city staten new yorks subway art decades in the making; published 1037 7 october 2015; the new york times profiles author philip ashforth coppola and his silver connections Staten Island Rapid Transit (Images of Rail):

0 of 0 review helpful Well done By Moshe Bloxenheim Mr Marc Pitanza clearly knows and enjoys his subject and presents a truly wonderful selection of photos that outline the history of the Staten Island Rapid Transit SIRT and

covers all its different divisions and many of its services as a commuter railroad and freight carrier This volume s wealth of images and information will fascinate any rail and or transit enthusi Staten Island s first railroad began in 1860 as a passenger line connecting towns along the island s eastern shore with ferry service from Vanderbilt s Landing to Manhattan The Staten Island Rapid Transit was a second line built in 1885 During the 19th century major eastern trunk railroads competed for the New York freight market The Baltimore Ohio Railroad B O was a latecomer but saw opportunity with Staten Island in 1886 buying interest in both railroads Th About the Author Marc Pitanza grew up on Staten Island and became fascinated by the railroad that served his hometown Since 2009 he has lectured extensively on the line and now presents a visual tour using images from the collections of some of New York rsquo
