3 of 3 review helpful Excellent illustrations hearts By Sucetty It s an amazing book The illustrations are great that book helped me for a speech in college It s well structured It s easy to understand thanks to the pictures And above all it is rich in art because this is art I m not Mexican however I found it very attractive and beyond people usually wear like this character for Halloween or fo The folk art inspired by Day of the Dead celebrated in Mexico and around the world including the American Southwest powerfully communicates the cultural traditions of this joyous holiday As a companion volume to the authors Day of the Dead this book focuses on the artistic imagery of Day of the Dead including the skulls skeletons and the iconic figure of Catrina as seen in various pieces of market art community art and contemporary art The work and in From the Back Cover Laughing Skulls and Dancing Skeleton are some of the

most iconic and vivid imagery associated with Day of the Dead festivities Day of the Dead Folk Art showcases many examples of those skulls and skeletons as well as variations on Jos eacu
