By Peter Smith, Carolyn Lefley : Rethinking Photography: Histories, Theories and Education museums in focus quot;english labouring class poets 1700 1900quot; quot;international perspectives on science culture and societyquot; quot;the body gender and culturequot; bibme free bibliography and citation maker mla apa chicago harvard Rethinking Photography: Histories, Theories and Education:

1 of 2 review helpful Meta ideas About Photography By Conrad J Obregon As a practicing photographer I ve always believed that there were lessons that I could learn from history and critical theory This book seemed like it might be a useful tool for that purpose This book is a bit of a strange amalgam covering several different areas but I suppose it was written as the text for a non technical course in a phot Rethinking Photography is an accessible and illuminating

critical introduction to the practice and interpretation of photography today Peter Smith and Carolyn Lefley closely link critical approaches to photographic practices and present a detailed study of differing historical and contemporary perspectives on social and artistic functions of the medium including photography as art documentary forms advertising and personal narrati About the Author Peter Smith is a writer and lecturer with over 30 years of experience in teaching Art History and Cultural Theory He has written articles and reviews for many journals including The Oxford Art Journal and Kunst und Politik Re
