By The Kansas African American Museum : African Americans of Wichita (Images of America) america through time; arcadia publishing; the history press; bestsellers pan am photographs like this one made real the potential atrocities resulting from unsafe working conditions as policemen place the bodies of workers burnt alive in the African Americans of Wichita (Images of America):

0 of 0 review helpful Good Purchase By Nancy Nurse I purchased this book as a birthday gift for my husband He was

delighted to learn more about the history and contribution of African American people in the city we grew up in The photos and captions depict a strong and vibrant beginning for a people who at last could determine their own destiny of 0 review helpful Five Stars The African American community of Wichita is as old as the city itself dating back to early pioneers cowboys and business figures Once relatively integrated Wichita became more segregated as the 20th century unfolded In response African Americans developed a lively neighborhood downtown with its own businesses churches schools and organizations World War II brought new populations to work in the aircraft industry and set the stage for profound changes In the About the Author These images come from collections across the city especially those of the Kansas African American Museum They range from informal snapshots to the accomplished work of professional photographers L K and Rosie Hughes Some document well know
