0 of 0 review helpful I thoroughly enjoyed this peek into the city s most notable people By K9friend1 As a lifelong

resident of St Charles I thoroughly enjoyed this peek into the city s most notable people I particularly enjoyed the historic photos and information provided about them There were several people from the past who really piqued my interest such as Doc Carr and Sophie Hupe I highly recommend this Today rsquo s citizens of St Charles will recognize the names of many early settlers and residents such as Louis Blanchette who founded the settlement that would later become St Charles St Rose Philippine Duchesne who helped found the first school of the Society of the Sacred Heart in America and Lewis and Clark who began their expedition here to explore the Louisiana Purchase territory Later came photographer Rudolph Goebel who chronicled St Charles rsquo s The authors form a formidable tandem whose passion for the subject material abounds They give their subject matter a deal of heft via their knowledge about St Charles while simultaneously rescuing many of the folks they profile from obscurity Thus the fr
