1 of 1 review helpful This book is more than fair By gheb This slim volume is crammed with outstanding photos of the construction of the fair as well as candid photos of the fair and its guests as the fair evolved Meanwhile the text is

loaded with factoids that so many of us who attended the fair either never knew or had forgotten 2 of 2 review helpful GET THIS BOOK IT IS LIKE A VI In the late 1950s Seattle rsquo s civic and business leaders were worried about the city losing its dominant position as a trading partner with the lucrative Pacific Rim nations Interested in showing off all that the city and state had to offer in the hope of gaining new business their unlikely solution was a world rsquo s fair the first to be held in the United States since 1940 Other cities across the nation also competed for the honor but Seattle surprised them About the Author Bill Cotter is a longtime worlds fair enthusiast who has traveled to many international exhibitions The author of eight prior books on fairs for Arcadia he is a frequent contributor to other books magazines and documentaries on worlds fairs
