0 of 0 review helpful Love By KDM This is my second Selby book and once again I am blown away Wonderful witty eclectic and just fun to read and gaze at these places and people If you are into what I call perfectionist interior design all rooms look like the belong in a hotel then I would say this book is not for you If you have a spirit of adventure and an eye to making your place exactly as you please then thi The Selby Is in Your Place was conceived when fashion

and interiors photographer Todd Selby began taking portraits of dynamic and creative people authors musicians artists and designers in their home environments and posting them on his web site Nosy by nature he wanted to see how personal style was reflected in private spaces Lucky for us he found his answer in the color rich and eclectic quarters of a diverse group of subjects including Simon About the Author Todd Selby is an interiors fashion and portrait photographer and painter His photographs can be regularly seen in British Vogue Vogue Hommes International Dazed and Confused Another Magazine Nylon
