1 of 1 review helpful Cool and colorful By Susan\_MA Humorist and LGBT activist Kate Clinton says in her introduction that this book Captures the five alarm sensory blast that is the NYC Gay Pride March rdquo I think she got it right Cool playful and colorful Wajdowicz s photo book offers vivid pictures of marchers bystanders and leading figures in the community truly modern images that revel in the rich dive More than forty years have passed since members of the LGBTQ community took to the streets of New York City on the first anniversary of the Stonewall Riots for the world rsquo s first march for gay rights From its modest though ambitious beginnings the annual event

has grown into an all encompassing celebration of queer culture drawing more than a million people It has also come to mean many things to many people For some Pride has become too commercial or i About the Author Jurek Wajdowicz is an internationally known graphic designer and principal of the design firm Emerson Wajdowicz Studios His photographs have been collected in Liminal Spaces Fotografie 75 Kate Clinton is an actress
