By Terry L. Ommen : Visalia (Images of America) coming in at no 1 on the list was the visalia porterville hanford metro area in californias san joaquin valley with the worst annual level of particle pollution most images are digitized all jpegstiffs display outside library of congress view all Visalia (Images of America):

0 of 0 review helpful Five Stars By 1958tlc I bought this for my mom She loves it 0 of 0 review helpful Great book but By Jay L This is a really nice book Lots of very interesting photos My only gripe is that it focuses a little too much on the pre WWII era Ninety percent of the photos are from the 1880 s 1920 s It s still an excellent book 0 of 0 review

When the first settlers arrived in what is now Visalia in the fall of 1852 they found a lush river delta in the midst of an oak forest at the base of the Sierra Nevada. The soil was fertile just right for farming enabling Visalia to take root as the oldest town in the southern San Joaquin Valley. For the next 163 years the town provided important products and services like David Walker's Saddle Shop that became home to the famous Visalia Stock Saddle and Ben M. About the Author Historian Terry L. Ommen has researched and studied Visalia history for nearly 30 years and has amassed a large collection of photographs. He looks forward to sharing them and the history of Visalia. Others have also provided photographs and the
