By Christopher Claude Verga : Civil Rights on Long Island (Images of America) a collection of civil war related links photos letters and diaries documents and battle reports the national civil rights museum is a complex of museums and historic buildings in memphis tennessee; its exhibits trace the history of the civil rights movement in Civil Rights on Long Island (Images of America):

0 of 0 review helpful This book was an eye opener and provokes discussion about By SG This book was an eye opener and provokes discussion about the past and current racial inequities of Long Island Long Island has been in the

corridors of almost all major turning points of American history but Long Island has been overlooked as a battleground of the civil rights movement Since early colonization by the English settlers in the 17th century the shadow of slavery has bequeathed a racial caste system that has directly or indirectly been enforced During World War II every member of society was asked to participate in ending tyranny within European and Asian borders About the Author Christopher Verga is a local historian and American history lecturer at Suffolk County Community College Christopher utilized images from local historical societies private collections and the African American Museum of Nassau County to creat
